Member: Jenny, Joseph, Morya, Greg  
Due Date: Meet  
Average Grade on the Project: A-  
Most honored by peer member: Morya  
Highest Graded member: Jenny  
Lowest graded member: Greg

## Project Contribution Score

This is a sample project report that we can do for each project for our users. They would be able to access which field each member contributed in and how much they contributed. With this along with the grade for the project, the readers would be able to distinguish a good teammate along from a bad one.
